

## **Rising 5<sup>th</sup> Grade Math Summer Assignments**

Mastery of all operations is imperative for math success. Please continue to work on maintaining accuracy with the website below. You can sign up as a parent and manage your own child's account.

- <https://home.xtramath.org/>

If you would like your child to review 5th grade content and/or prepare for 6th grade and beyond, you can use Kahn Academy's site below:
