

Rising Fifth Grade Resource:

- 1) Read Island Book One: Shipwreck - written by Gordon Korman
- 2) Write a summary of the book:
  - a. Paragraph One: Identify the title and author, characters, and setting
  - b. Paragraph Two: Identify the key events in sequential order
  - c. Paragraph Three: Make a prediction as to what you think will happen in Book Two: Survival (We will read it together in September.)
  - d. Paragraph Four: Provide your opinion of the book

We will discuss the book at the start of the year, so I recommend that you read it closer to August so that the story is fresh in your mind! Just give yourself enough time to complete the writing portion of the assignment.
